

RECITALS A U S T R A L I A

Grants

Recitals Australia Grants will be offered twice a year, subject to availability of funds.

Eligibility Criteria

Recitals Australia Grants are open to all instrumentalists and vocalists who are:

- under 30 years of age
- currently a member of Recitals Australia
- currently resident in South Australia

Assessment Procedure

The assessment procedure for Recitals Australia Grants will consist of a written application. Short-listed candidates will undertake an audition and an interview.

Grant requests for less than \$750 will not require an audition or interview.

Written applications should include as many of the following items as are relevant to the program proposal and level of funding sought:

- A comprehensive CV/resume, including a record of relevant achievements, eg AMEB examination results, awards, prizes, invitations to perform, etc.
- A transcript of the applicant's academic record.
- A detailed description of the program to be undertaken.
- Proof of acceptance by a training institution or individual teacher if relevant to the application.
- A budget for the program.
- A CD or DVD recording of a recent performance.

- Other relevant support materials; eg, reviews of performances.

Auditions and interviews, where applicable, should be of 10-15 minutes' duration.

The selection panel for Recitals Australia Grants will consist of three people, at least two of whom will be Council Members.

The selection panel will consider each written application under the following categorisation of the items above:

- Relevant achievements to date, as described in CV/resume and academic record.
- The quality of the proposal; ie, the program's intended impact on career advancement, the demands of the program, proof of legitimacy of the program, and the appropriateness of the budget.
- The quality of the overall application.
